How to use this brochure

This brochure showcases some of the highlights of Vivaro. You can also click through to our detailed LCV Range Price and Specification Guide should you require further details. Please note that some of the vehicles shown feature options available at extra cost.

CARRIES BRITISH BUSINESS

We have a long and rich history building light commercial vehicles in Britain. With 90 years of experience that has helped shape the way we build our vans today; vehicles that are tried, true, and have become iconic on British roads. And the bar's set to rise even higher in the future, with the launch of an all-electric Vivaro this year.

The latest, New Movano, joins brand-new versions of both Combo Cargo and Vivaro to complete a range that's innovative, hardworking and totally in tune with the wants and needs of British businesses. With over 100 Movano variations for every kind of job, from panel vans, chassis cabs, crew cabs and platform cabs to box vans, tippers, dropsides and passenger carriers.

Even better, not only do we build more commercial vehicles than any other UK manufacturer (more than 62,000 vehicles built in the last year), we've won over 30 major awards since 2015, given by the toughest judges in the industry. Need we say more?

VIVARO CARRIES BRITISH BUSINESS

The Vivaro gives you more; more practicality, more choice, and more clever features than ever before. With three versatile bodystyles – the Panel Van, Doublecab and Platform Cab – you'll find a Vivaro that works for you and your business. So, sit back and prepare to be impressed...

MADE IN BRITAIN

New Vivaro marks a proud 67 years of Vauxhall Motors building vans in Britain. It all started back in 1952 with the iconic CA van. Now, we're the UK's largest commercial vehicle manufacturer with over one million Vivaro-type vans built since production started in 2001.

Made in our Luton manufacturing facility, where recent investment has increased the annual production capacity to 100,000 vehicles, the new Vivaro merges iconic design with engineering precision.

And just like every Vauxhall that leaves our production line, it's designed to perform, with a level of durability, practicality and comfort you'll struggle to find anywhere else.

TOP OF ITS CLASS

Vivaro is built for business. It's designed from the ground up to deliver class-leading payload, flexible loadspace, and useful connectivity features. It all adds up to make Vivaro the benchmark vehicle in its segment.

HIGHLIGHTS

- 1** Striking design meets engineering precision.
- 2** A superior, **car-like driving behaviour**, and state-of-the-art technology rarely found in commercial vehicles.
- 3** Highly efficient engines ensure **competitive cost of ownership**.
- 4** Choose between **three bodystyles** to find the right Vivaro for your business needs.
- 5** Tailor your space with **two different body lengths**. Capable of taking up to three Euro pallets and 8x4 sheets

HIGHLIGHTS

1 Turn the cabin into your own personal workspace with the multi-function front passenger bench seat with **fold-down table**.

2 Enjoy an impressively useful maximum load volume of up to **6.6cu.m**, a load length of up to **4 metres** and a payload of **c1.4T**.

3 Stay safe and stress-free with a range of driver assistance systems including **speed sign recognition**, **driver drowsiness alerts** and **automatic emergency braking**.

Vivaro Van

DESIGN WITH PURPOSE

Meet the clever features and practical solutions that make every working day in Vivaro easier. Twin sliding side-access doors as standard give you easy access to the load area, as well as the option to add electric hands-free opening. A clever feature that brings innovation to the class.

Vivaro Van

CLEVER PACKAGING

Despite its relatively compact exterior dimensions, the Vivaro's clever interior packaging and innovative FlexCargo passenger bench seat create an impressive load volume and load length.

**Load volume
up to 6.6cu.m**

**Load length
up to 4m**

Foldable Front Seat

Fold up the base of the outer front seat to free up additional loadspace when you need it. That's **6.6cu.m** in total.

FlexCargo Load-through

Seat **three** comfortably up front or use the load-through bulkhead to **maximise load length** when carrying longer cargo (up to 4024mm to be precise).

Capacities

Cut down on journeys by carrying more each time, thanks to Vivaro's maximum **payload of c1.4T** and its ability to carry **8x4 sheets** or up to **three Euro pallets** with ease.

Vivaro Doublecab

CREW TO CARRY?

The Vivaro Doublecab* has you covered. It boasts space for up to **six crew**, as well as a fully folding rear bench seat (on Edition models), giving you up to **5.5cu.m** of versatile loadspace should you need it.

*Doublecab rear seating in both models is not equipped with ISOFIX child seat mountings.

Foldable Rear Bench with Integrated Bulkhead¹

A generous load volume of up to **4cu.m** can be **expanded to 5.5cu.m** by folding up the rear bench. This is complete with a folding steel-mesh bulkhead – a first for a van in this sector.

¹. Edition models only

Integrated bulkhead

Folded bench

Fixed Bulkhead with Rear Bench

Enjoy a load volume of up to **4cu.m** with room for three additional crew.

INTUITIVE TECHNOLOGY

New Vivaro is packed full of features to ensure you stay in control and connected on the move. Innovative features such as head-up display and rear-view camera. Not to mention, Vauxhall Connect, Android Auto™, Apple CarPlay™ and an intuitive 7-inch touchscreen that puts everything at your fingertips; your phone contacts, phone maps and so on. To top it off, smart navigation with Multimedia Navi Pro, gets you from A to B with ease.

1

1. Vauxhall Connect†

Peace of mind when you need it most with emergency or breakdown assistance at the touch of a button. Access to live navigation services and regular vehicle diagnostic info plus a host of remote convenience features available through the MyVauxhall App.

†Services may require a subscription/fee and are subject to mobile network coverage and availability. Live navigation services are included for 3 years and thereafter are subject to an additional subscription fee.

2. Rear-view Camera

Reversing out of your driveway or into a tight parking space? Our clever 180° rear-view camera gives you an extra wide view of everything behind you.

2

3. Head-up Display

Unique in the segment, head-up display projects vital info such as speed and cruise control settings right into the driver's line of vision.

3

INFOTAINMENT

Bluetooth® and DAB Radio

The audio panel is simple to use whether tuning to AM, FM or DAB radio stations or using Bluetooth® connectivity to stream music or make phone calls hands-free. All models also feature USB functionality.

Smartphone Projection

Apple CarPlay™ or Android Auto™ projects your smartphone onto a high-resolution 7-inch touchscreen and puts everything you need at your fingertips; contacts, music and phone sat nav.

Navigation System

A new generation voice-controlled 3D Connect Nav system that makes every journey easier, delivering connected services and real-time traffic information with TomTom Traffic.

Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc., also registered in the U.S. and other countries.
*In-car features should be used by drivers only when safe to do so. Drivers must be in full control of the vehicle at all times.

YOUR OFFICE ON WHEELS

And as if it wasn't versatile enough, Vivaro's comfortable cabin can be transformed into your very own mobile office. With a fold down table, a variety of practical storage solutions, and optional creature comforts such as air-con and climate control. That's everything you need to keep your business on track – day in, day out.

STORAGE SOLUTIONS

Door Pockets

No less than three separate storage pockets in both front doors, the largest perfect for holding large items like 1.5l bottles.

Passenger Bench with Integrated Storage

On Doublecab models there's additional storage volume underneath the front passenger bench, so you can stow work equipment and other valuable objects.

Dashboard Storage

Lots of smaller items to stow? With up to 14 different storage solutions throughout the cabin and a glovebox with cooling function, the Vivaro has you covered.

SAFETY FIRST

1. Forward Collision Alert: Scans the road ahead to alert the driver to the potential for a collision with the vehicle in front.

2. Semi-adaptive Cruise Control: Lowers your speed to maintain a set distance from the car ahead in traffic scenarios, and restores your previous speed when the road clears.

3. Automatic Emergency Braking: Takes action to avoid an accident, applying the brakes automatically in case of a potential collision.

4. Side Blind Spot Alert: Uses sensors and a visual projection on the wing mirror, alerting the driver to vehicles in your blind spot to prevent accidents in overtaking situations.

YOU'RE IN GOOD HANDS

1. Driver Drowsiness Alert: Monitors the time you've been behind the wheel and analyses your driving patterns via the front camera and steering wheel movements, letting you know when it's time to take a quick break.

2. Speed Limit Adaptation: Uses speed sign recognition to analyse changes in the speed limit. With one push of the memory button, allow the semi-adaptive cruise control to adjust your speed accordingly*.

3. High Beam Assist: Switches the headlamps between high beam and dipped beam automatically to avoid blinding other drivers.

4. Lane Departure Warning: Recognises when the vehicle is drifting lanes and alerts the driver via audio and visual cue.

*On single and dual carriageways the speed limit for vans is 10mph less than for passenger cars.

DRIVEABILITY

Car-like driving

Vivaro is as tough as a work van should be, yet smooth and refined, with a special car-like driveability that makes everyday driving a doddle.

Efficiency

Vivaro boasts a range of powerful yet frugal engines and smooth transmissions, for low running costs, reduced emissions and maximum efficiency.

Fuel economy and CO₂[#] results for the New Vivaro van range. Combined mpg (l/100km): 49.5 (5.7) – 60.1 (4.7). CO₂ emissions: 149 – 125g/km.

[#]Fuel consumption data and CO₂ emission data are determined using the Worldwide harmonized Light vehicles Test Procedure (WLTP), and the relevant values are translated back to allow the comparability into NEDC, according to regulations R (EC) No. 715/2007, R (EU) No. 2017/1153 and R (EU) No. 2017/1151. The values do not take into account in particular use and driving conditions, equipment or options and may vary depending on the format of tyres. For more information on official fuel consumption and CO₂ emission values, please read the guidelines at <http://vanfueldata.dft.gov.uk/>

GET TO GRIPS

With the Vivaro's Worksite Pack. Together with the IntelliGrip system, it raises your suspension by 25mm, giving you more grip and better control on hard and uneven surfaces. Also included is an under-engine cover plate to prevent damage to your van.

DRIVING FEATURES

IntelliGrip

The Vivaro's IntelliGrip system provides extra levels of traction on difficult surfaces such as mud, sand or snow.

Eight-Speed Auto

A smooth and ultra-efficient eight-speed auto will take you further for less.

SIT BACK, RELAX...

And get comfortable in the Vivaro's spacious cabin. With seats designed for perfect ergonomic support across even the longest of journeys.

All models feature black vinyl seats with Curitiba fabric inserts. There's also a full black vinyl seat option available on Edition models.
